

# Containerformat

The diagram illustrates the structure of a container format. It is represented as a large rounded rectangle with a black border. Inside this container, three elements are stacked vertically. The top element is a light gray rounded rectangle labeled 'Metadaten'. Below it is the label 'Videocodec' in black text. The third element is a light gray rounded rectangle labeled 'Videodaten', which is highlighted by a red border. Below this is the label 'Audioopcodec' in black text. The bottom element is a light gray rounded rectangle labeled 'Audiodaten', which is highlighted by a yellow border.
