

Containerformat

The diagram illustrates the structure of a container format. It is represented as a large rounded rectangle with a black border. Inside this container, there are three stacked components. The top component is a light gray rounded rectangle labeled 'Metadaten'. Below it is the 'Videocodec' section, which consists of a light gray rounded rectangle labeled 'Videodaten' enclosed within a red rounded rectangular border. The bottom component is the 'Audiocodec' section, which consists of a light gray rounded rectangle labeled 'Audiodaten' enclosed within a yellow rounded rectangular border.
