

# Containerformat

The diagram illustrates the structure of a container format. It is represented as a large rounded rectangle with a black border. Inside this container, three elements are stacked vertically. The first element is a light gray rounded rectangle labeled 'Metadaten'. The second element is a light gray rounded rectangle labeled 'Videodaten', which is enclosed within a red rounded rectangular border. The third element is a light gray rounded rectangle labeled 'Audiodaten', which is enclosed within a yellow rounded rectangular border.
